

# Namibia – The greatest wildlife recovery story ever told

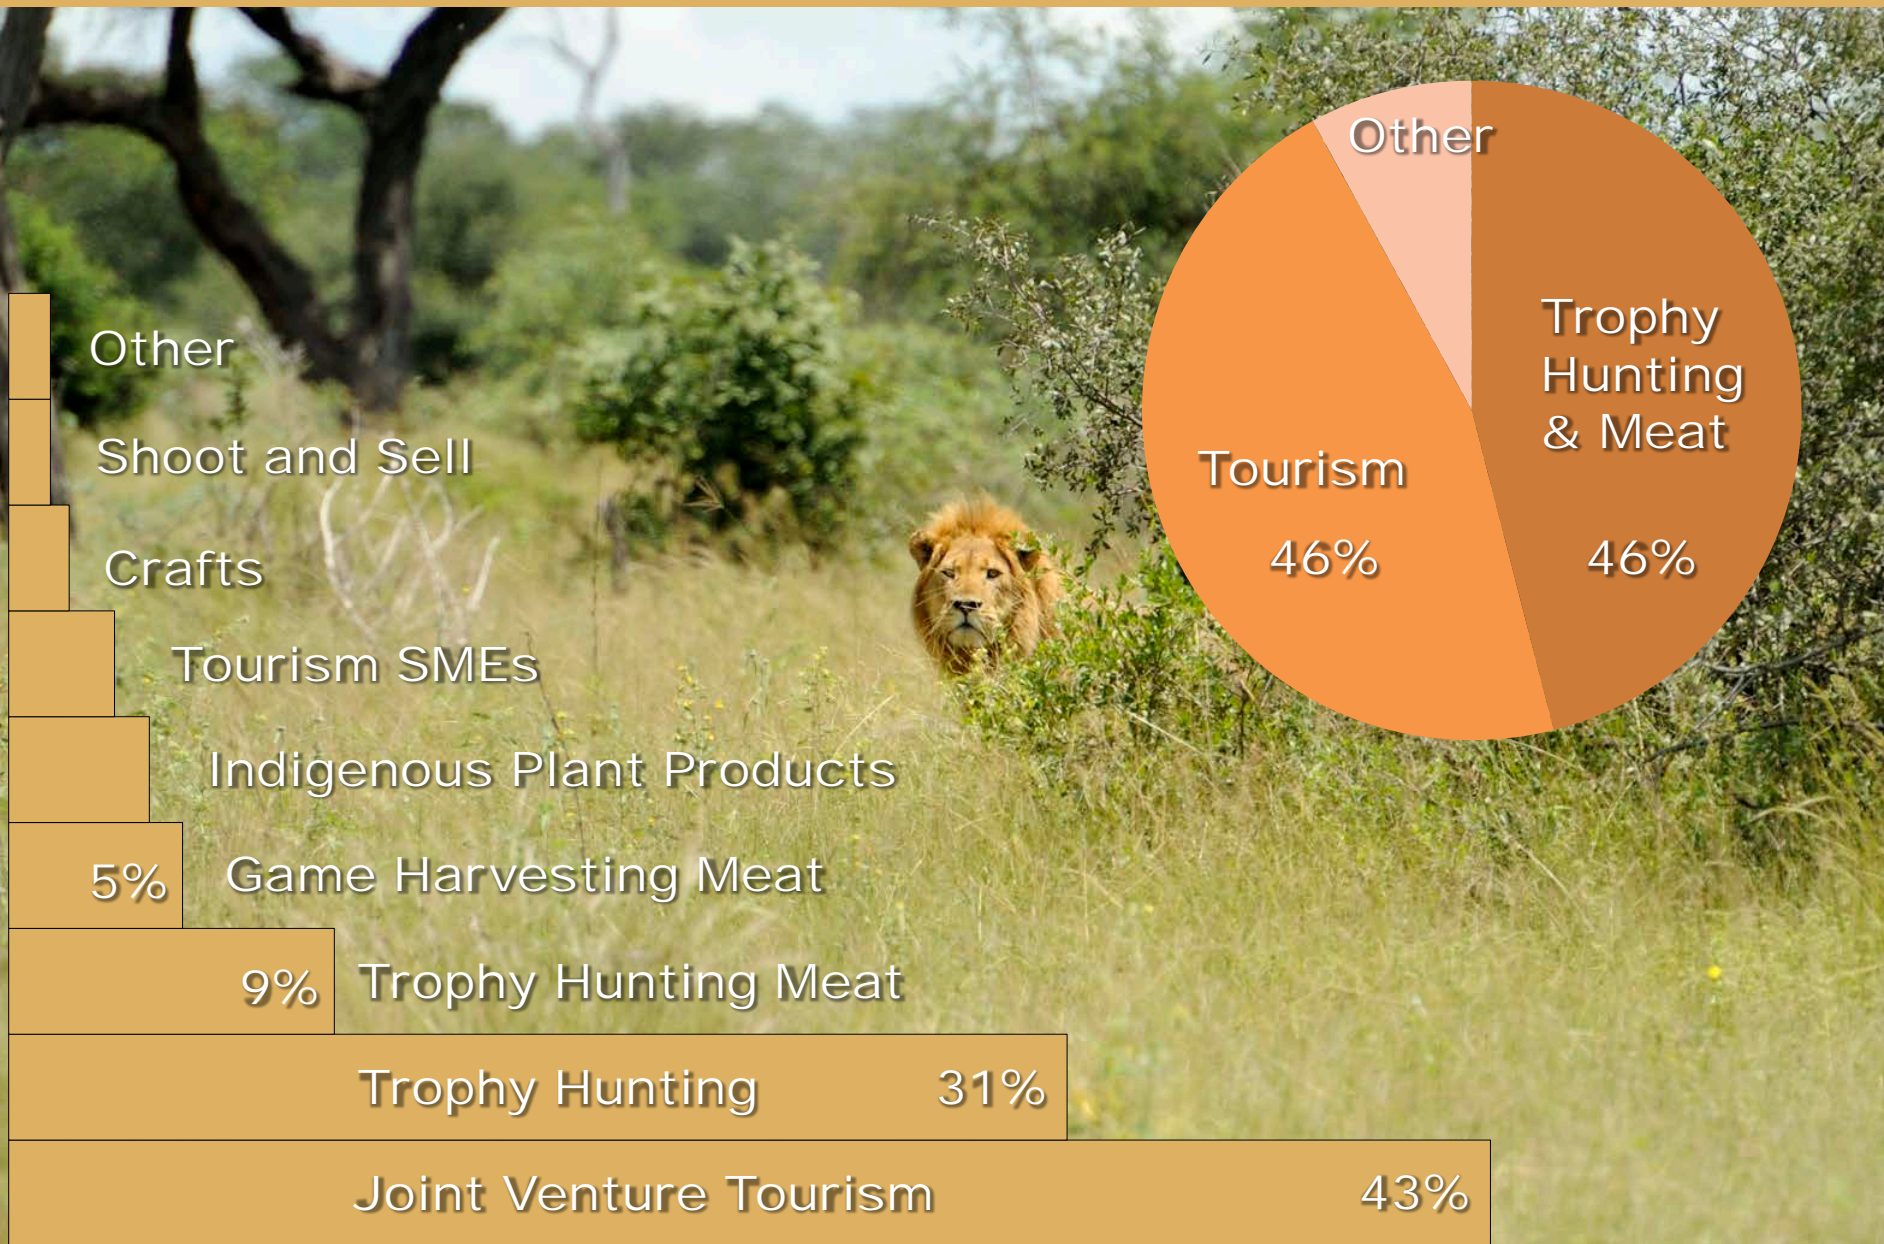

Sustainable Resource Management Areas in 2011

## **Namibia's conservancy programme is built on three pillars:**

- Governance
- Natural Resource Management
- Livelihoods and benefits

# Cash income and in-kind benefits to conservancies: 2013

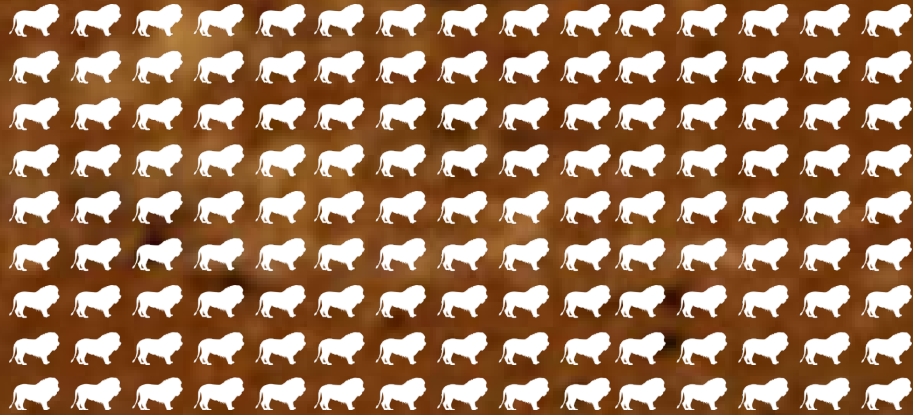

NO. 1904

GUARANTEED ANGEL WAX PRINT 3.00 YDS  
MADE IN U.S.A. WITH 100% COTTON

In 1995, there  
were only **20** lions  
in the entire Northwest.

Today, there  
are **over 130.**

In 1982 the  
black rhino  
was almost  
**extinct.**

Today the Kunene has the **largest free-roaming population of Black Rhino** outside of protected areas in the world.
